One. What is the man going to buy?

Woman: Is everything ready for the holiday?

Man: I'm just going shopping – I must get those pills I take when I feel travel sick. Do we need anything else at the chemist's? We forgot the toothpaste last time!

Woman: I've got that. I haven't got any sunglasses, but I can borrow yours, can't I? And I'll get something to read at the airport.

Man: Right.

2.

Two. Which dress is Kate talking about?

Girl: Oh Mum, this dress is still dirty!

Woman: It can't be, Kate – I've only just washed it.

Girl: Well it is. The mark on the collar has gone, but there's still a small one here – look it's at the front just below the button. It's where I spilt some Coke last week.

3.

Three. When will Jane meet them?

Man: Hi, it's Pete here. Jane left a message to say she can't meet us at 8.00 as planned, because her bus doesn't get in till 8.15 and it'll take her 30 minutes to get from the centre of town. I told her the table is actually booked for 8.45 so that would be fine and we'll see her then.

4.

Four. Which morning activity is for beginners?

Man: At 10.00 a.m. tomorrow morning there will be swimming lessons, at both intermediate and beginner level. Then there will be volleyball practice at 11.30 for all those of you who are already in one of the teams. Also in the morning, for those of you who already know how to sail, there's a chance to do some practice on your own. There will be lessons in both sailing and windsurfing for beginners after lunch.

5.

Five. Which painting does the woman decide to buy?

Woman: They're all nice, but you see a lot of flowers everywhere these days, don't you, so that wouldn't be my choice. The same goes for animals actually, although I do quite like the one of the horses. So, it looks like it'll have to be the one with the boats. It will be a change from that bowl of fruit I've had on the wall all these years, anyway.

6.

Six. What is the man selling?

Man: And this is the latest model by Macpoint. You'll find it's even quicker at doing your washing up and needs less water. And it's very easy to use – as easy as turning on your shower.

Seven. What is the weather forecast for tomorrow?

Woman: ... it's been typical spring weather today, sunshine and showers. The next twenty-four hours should be dry but cloudy ... Things look better for the next week, with Monday being a fine sunny day and the following day mild but windy ...
